

I am pleased to announce the appointment of Richard Spangenberger as Senior Director of Business Development at ISYS Technologies.

Rich joins us from Lockheed Martin where he was the Director of Business Development for C4ISR Systems. Rich has over 26 years in the Aerospace and Defense Industry with a background in Business Development, Program Management, Capture Management, Systems Engineering, and Software and Hardware Design. He has extensive experience with the US Department of Defense, Intelligence Community, International Military, and International Commercial Customers. Rich holds a Bachelor's of Science Degree in Electrical Engineering from the University of Dayton and a Master's of Science Degree in Electrical and Computer Engineering from the University of Massachusetts at Amherst. Rich will be responsible for all Business Development activities at ISYS Technologies and will support our aggressive growth goals.
