

Bringing Agility and Innovation to the Pikes Peak Region ISYS Technologies Launches New Office in Colorado Springs

September 9, 2010 – ISYS Technologies, headquartered in Denver, has opened a branch office in Colorado Springs at 7222 Commerce Center Drive Suite 108, Colorado Springs, CO 80919. ISYS was recognized by the Small Business Administration as the 2010 Region VIII Subcontractor of the Year, and has received numerous accolades from the US Commerce Association, the Denver Business Journal, and Inc. Magazine.

ISYS has been providing superior Engineering and Information Technology (IT) services to Government Customers and Industry Partners since 2002. ISYS serves key national customers, to include the Department of Defense, Department of Homeland Security, Department of Energy, Department of Interior and National Aeronautics and Space Administration. Locally ISYS supports the Missile Defense Agency, US Air Force, US Army and US NORTHCOM.

“Opening this office demonstrates our commitment to our employees, Industry Partners, and most importantly, our customers in Colorado Springs,” said Teresa Porter, CEO of ISYS Technologies. “This will enable us to better support our customers’ needs, operations and missions.”

ISYS employs more than 50 people in Colorado Springs today. The ISYS leadership team includes Teresa Porter, CEO; William Ramey, President; Wes Addington, CFO; James Kulbacki, Vice President and Wende Cook, Vice President.
