## **JUST ASSOCIATES APPOINTS DEBORAH BURNETT CIO**

**CENTENNIAL, Colo. - Aug. 10, 2011** - Just Associates, Inc., a consulting firm specializing in data integrity and data quality solutions for the health information exchange (HIE), health information management (HIM), health informatics and health IT markets, has appointed Deborah Burnett as its Chief Information Officer (CIO).

As CIO, Burnett is responsible for driving the firm's IT efforts, including overseeing the infrastructure and standards that support its business mission. She is also charged with overseeing the ongoing evolution of *IDMaster*<sup>®</sup>, Just Associates' proprietary duplicate workflow software that creates a more efficient duplicate reconciliation process.

"Deborah's experience in software development and management make her a valuable asset to Just Associates," said Beth Just, MBA, RHIA, FAHIMA, CEO and President, Just Associates. "We are pleased to welcome her to the team and look forward to her collaboration on future projects."

Prior to joining Just Associates, Burnett was a product engineer manager with InfoTrust Group. Previous positions include software development manager for Perficient, Inc. and software development manager for Sun Microsystems. She
