2006 - UTAH WOODTURNING SYMPOSIUM SOUVENIR CD-ROM

June 15-17, 2006
BYU - Provo - Utah

What's on the CD?

This CD captures hundreds of high resolution digital photographs of the demonstrators in action. It also includes "close-up" photos of all the items in the "Instant Gallery". Also on the CD is a free picture viewing software package. It is both Windows and Mac compatible

The purchase price of the CD is \$35 US, and includes packaging and postage in the U.S. (add \$5 US, for foreign shipping)

2004 Symposium CD's

This CD is a "must have" for anyone with a computer, who attended the "symposium! If you are interested in "woodturning" you will find this an invaluable "idea" resource

You can view all photos on your computer and then print them out at home
